Conference:
- Discussed details about the conference
  - Club members and students interested in attending the club need to respond to Mason by Wed., Sept 22nd. This way we can get a head count to meet the Oct. 2nd deadline of early registration
- Discussed transportation
  - Interested club members were instructed to bring license and proof of insurance.

Community Service Projects:
- The club has invited a speaker from the IRC
  - This could be a fundraiser event, or simply a way to inform students of what the IRC is and how to get involved
  - Keesha is setting up a meeting with Charlie to get the ball rolling. She has already contacted the IRC
  - Still collecting information on volunteer opportunities
- Help setup the IAS meeting
  - Oct 2nd at 7:00 in the Micron Engineering bldg.

Items for the Newsletter:
- Get ideas to club by the end of the month
