If you would like to join us on a trip to the Herret Center this spring, we need to hear from you. Sometime in April the club will sponsor a day field trip including transportation and sack lunches. In order to accommodate for everyone we need to get a head count of those who wish to go. Please e-mail the club or tell an officer if you would like to go. **It will be fun!**
Field School 2003

Applications are now being accepted for the 2003 field school season. You may apply on-line at the Anthropology department homepage. The Field School Season runs for six weeks during May and June. For more information contact Dr. Mark Plew or Chris Willson.

Community Education Program

The Anthropology Club has a long standing tradition of service to the community. We will be hosting a 2 hour class on April 23rd. If you are interested in participating and presenting a 20 minute lecture or demonstration regarding the cultures in Idaho, please contact Chris Willson.

Egyptian Art at the Boise Art Museum

Join us for an evening at the Boise Art Museum to see the new exhibit of Egyptian Art. Students attending will be joined by faculty members Chris Hill and Katherine Keith. The club is sponsoring the evening and picking up the admission fees for all who attend. Please come join us this Thursday, March 20th at 4pm in front of the Anthropology Dept. For additional information contact Chris Willson.

Nominations are in! Here are the people who want to be your club officers next year!

**Anthropology Club**

President  
Pete Carlson

Events Coordinator  
Nathan Poulton

Treasurer  
Secretary

Elections will be held in the Anthropology Department on Friday April 4th between the hours of 9am to 2pm or in the office until 4pm. Elected officials will be announced via e-mail Monday April 7th. Remember to Vote and GOOD LUCK!

**Anthro Students volunteer time by Tedd Jacobs**

A number of students have been volunteering this semester in working with processing archaeological material from the 1992 summer field school at the Bliss site 10-GG-1. The students have been organizing the collection for the Shoshone District Bureau of Land Management by matching by the material remains to field and lab notebooks and preparing the information for data entry into the State Archaeological Library database.

Participants have gained valuable experience as they have developed a working knowledge of lab techniques, material identification, artifact handling and classification, and the importance of cross-referencing and accuracy in field recording and cataloging.

The Anthropology club wishes to recognize and thank a number of students including: Mary Wallace, Rachael Gleason, Shelby Day, Pete Carlson, Tedd Jacobs and Chris Willson for their consistent hard work and dedication, as well as the staff of the Anthropology department for the support and resources they have provided.

Additional work in conjunction with the BLM; Mary Wallace, Monty Wells and Shannon Hicks have volunteered time aiding in the organization of reference and repository materials in connection to other bureau projects.

Volunteer opportunities are a valuable resource. If you are interested in participating in projects, please contact Dr. Plew or Chris Willson in the Anthropology department.
